**GENERAL INSTRUCTIONS FOR APPLYING FOR STATE ALCOHOL LICENSE
FOR LIQUOR, BEER AND / OR WINE, WHOLESALER / IMPORTER / BROKER / MANUFACTURER/
FOREIGN IMPORTER AND FOREIGN PRODUCER**

By law, the State Revenue Commissioner must determine the licensing qualifications of an applicant for an alcohol license. Every applicant shall answer all questions under oath, supply all information, and furnish all certificates, affidavits, bonds and other supporting data or documents as required thereby (Regulation 560-2-2-.09). The ATT-6, CRF-002, and any other forms required must be completed in their entirety. All applicants and persons having an interest in obtaining In-State licenses are subject to an extensive background investigation to determine their licensing qualifications. All applicants for an alcohol license must complete Form CRF-002, State Tax Registration Application, and ATT-6, State Alcohol License Application for Liquor, Beer, and/or Wine, Wholesaler / Importer / Broker / Manufacturer / Foreign Importer and Foreign Producer.

INSTRUCTIONS FOR COMPLETING FORM ATT-6:

- Line 1 - Enter your Georgia State Taxpayer Identifier. If you do not have one, leave blank.
- Line 2 - Enter the name of the licensee. Licensee may be an individual or corporation. Licensee for an In-State license must be the same as shown on the local license.
- Line 3 - If the licensee listed on Line 2 is a corporation (including a limited liability corporation), enter the name of the registered agent. See Regulation 560-2-2-.09.
- Line 4 - Enter the name under which your business is legally registered with the Secretary of State. If your business is not registered, then enter the name under which your business owns property or acquires debt. Note: If the ownership consists of a married couple, then the ownership is regarded as a partnership.
- Line 5 - Enter license year for which this application is made, regardless of the date of this application.
- Line 6 - Enter the Date (MMDDYY) you actually started or will start selling alcoholic beverages at this location.
- Line 7 - Check only one type of license that applies to your business registration. Applicant applying for an Importer, Broker, Foreign Importer, and/or Foreign Producer license must fill out a separate application for Beer, Wine and Liquor.
- Line 8 - Indicate from which city or county your license was issued or will be issued. A state alcohol license is not valid without a valid local license. Note: The licensee and other information for the state license must be the same as that on the local license. A copy of the local license must be attached to your state alcohol license application or furnished to the Department as soon as it is available. **YOUR STATE ALCOHOL LICENSE WILL NOT BE ISSUED UNTIL WE RECEIVE A COPY OF YOUR LOCAL LICENSE (O.C.G.A. 3-2-7 AND REGULATION 560-2-2-.26). (OUT-OF-STATE APPLICANTS NEED NOT RESPOND TO THIS QUESTION).**
- Line 9 - Before you respond to this question, you must determine the distance from your business to the nearest school ground, church building, or government owned and operated alcohol treatment center. **(OUT-OF-STATE APPLICANTS NEED NOT RESPOND TO THIS QUESTION).**
- Line 10 - Before you respond to this question, carefully read the conditions of the regulation as shown.
